## Big bricks for small hands

With its large bricks especially designed for small hands, LEGO® DUPLO® offers an exciting play experience for budding young builders. As your children grow, LEGO DUPLO provides them with new ways to play at each stage of their development. Children can let their creativity run wild: making the figures move, handling the bricks, sorting them by size and shape, inventing stories, learning about numbers and letters ... There are endless ways to play with LEGO DUPLO.

### CREATE

Being creative is an integral part of your child's play that needs stimulating toys and tools.

### PRETEND

Imitating life is part of your child's play experience and helps them to learn about everyday life.

### SHARE

Social interaction teaches your child basic human skills and contributes to the creation of their identity.

### LEARN

Learning is fun for your child when there is a balance between their ability and complexity

# NINJAGO™

Masters of Spinjitzu

Loss is a powerful thing. The loss of Zane in the battle against the Overlord has fractured and disassembled our favorite Ninja team. But when they receive a mysterious invitation to an unrecorded island for Master Chen's 'Tournament of Elements', they get wind that their friend could still be alive, and in order to get him back, they'll not only have to face others gifted with unique elemental powers, but eventually battle each other.
